## SUFFOLK VOTERS HEAR CAPT. KENT

Republican Nominee Arraigns Administration-Martin and Groner Speak.

upwards of two hours an audience at the Academy of Music to-night was notdressed by the Republican gubernatorial candidate, Hon. W. P. Kent, National Committeeman Alvah H. Martin and D. Lawrence Groner.

The mosa salient features of Captair Kent's address were his arraignment of the alleged Democratic ring and the administration of public school affairs. Referring to the squandering of appropriations, Mr. Kent asserted that most of the increase for educational pur-poses had gone into the pockets of the school officials, the publishers of books and the manufacturers of furniture. He appealed for the support of his auditors not as Democrats nor as Republicans, but as Virginians.

Mr. Martin said President Taft had

given Virginia five Democratic census supervisors and that Virginia would retailiste by filling every electoral board and every other board with men of the

same faith.

Mr. Groner declared that the overwhelming issue of all was the personalities of the candidates. He reviewed Judge Mann's record from his
enlistment into Confederate service until now, declaring that his delinquen-cles rendered him unfit. Speaking of the Nottoway election incident, Mr, Groner said he would not have mentioned it if votes had been stolen from Republican, but that Judge Mann's pronent was a Democrat.

Valuable Stone Quarry CAPTAIN WITH REVOLVER SUBDUES NEGRO WITH AXE WITH ALL ENGINES, APPARATUS

WASHINGTON, D. C., Sept. Washington, D. C., Sept. Hand on the steamer Southland, of the Norfolk and Washington Steamboat Company, and Washington Steamboat Company

WASHINGTON, D. C., September 22,—Horace Wade, a negro deck hand on the steamer Southland, of the Norfolk and Washington Steamboat Company, who, while en route here from Norfolk last night, made a murderous assault upon John Manus, also a negro employe, and threatened Captain Posey, of the Southland, with an axe, was to-day held in \$2,000 bond for the action of the grand jury upon a charge of mutiny, following a hearing before United States Commissioner Taylor.

The difficulty arose shortly after leaving Old Point Comfort, when Manus is said to have told Wade to close the hatch, which he said he had done, but which, upon investigation, it is said, was found open. This made Wade angry, who, without warning, drew a large pocket knife, cutting large gashes in Manus's head and in the left side.

At this stage Captain Posey, with a pair of handcuffs, attempted to arrest Wade. Seeing the captain approach Wade grabbed an axe, and, with an oath, declared he would kill the officer if he came near. Making a lunge at Captain Posey with the axe, the officer fired his revolver at the negro, observing the approach of Captain Posey, cried out not to shoot, that he would come out, which he did, and was placed in irons and brought here, where he was turned over to the United States and hersond he desires it, of the approach of Captain Posey, cried out not to shoot, that he would come out, which he did, and was placed in irons and brought here, where he was turned over to the United States and hersond property and the desires will be given on the day of the confirmation of the said by the boat, followed by Captain Posey, cried out not to shoot, that he would come out, which he did, and was placed in irons and brought here, where he was turned over to the United States and hersond property and the property in head to the property and the did, and was placed in irons and brought here, where he was turned over to the United States and the boat, followed by Captain Posey with the condering the property and the property and the proper

Why Many Women Suffer From Constipation

#### The Natural Remedy

The Natural Remedy

The delicate and intricate character of the female organs makes them most susceptible to irregularity, and it is most important that each one should be kept in condition to perform its duties in a normal manner. When womankind is performing the functions percuilar to her sex there is a decided tendency to sluggishness of the bowels. Nature then requires a gentle assistant. Not powerful and expensive remedies, which are so drastic as to damage the tender lining of the bowels and do more harm than good, but a pure and harmless luxative, such as HUNYADI JANOS Wajer, the famous Natural Laxative Half a tumblefrul taken on arising will move the bowels gently but conspicuously and in a natural manner. One bottle contains many doses and costs but a trifle.

At all druggists—but look out for unscrupulous druggists, who will substitute unless you ask for HUNYADI JANOS.
